

# University & College Entrance Preparation (UCEP)

*Do you need prerequisites for entrance into university, vocational or college programs?*

The [UCEP program](#) is for Aboriginal Students who want to upgrade or complete their requirements for college / university entrance. Students can work on their English, Math and Science courses. We also have a specialized Education/ Career Exploration course, Coast Salish Hul'q'umi'num' language course, and a Homework Study-skills course. The UCEP program offers a supportive environment which encourages student success.

The UCEP Program includes the following:

- Adult Basic Education (ABE) Upgrading in Math, English and Sciences. Potential students will meet with a VIU Academic Advisor to discuss the courses suitable to meet their goals.
- FNAT 110: Coast Salish Language Hul'q'umi'num' I (three university credits)
- Indigenous Education/Career Exploration
- UCEP Study-skills Sessions
- Student support and coaching

The UCEP program will be delivered on a full-time basis, Monday to Friday. Intakes start in September and January.

## **How to Register:**

Drop into VIU, Professional Development & Training and pick up a [UCEP "HOW DO I REGISTER"](#) package.

*Delivery of this program is subject to funding and enrolment.*
